FOODY ART FOR FOODY FRIENDS

Hi! I'm Daisy and I'm thrilled you're considering stocking some of my products!

My work is a celebration of all things food and collage. Appreciating both craft and good honest grub!

With no shortage of scran in the collection, I hope you can find something that satisfies your tastes as well as your customers.

I operate this business under a DIY ethos, meaning I strive to make and create as much in-house as possible. From design to product assembly, it's all me baby.

To reduce as much waste as I can, all my materials are sourced either second-hand or from local suppliers here in Manchester.

You can be assured that every product is made to a high standard and with lots of love xxx
